

Dear Parents,

The Summer Reading Program has many good books for your student to choose from. However, if there is a burning, unquenchable desire for your student to read a book that is not offered, then your student must take two steps to find a suitable book. (1) You must complete this permission form and return it via student. (2) Mr. Deardoff must approve of the book that your child has chosen. By signing this form you are agreeing that what your child is reading is suitable for edifying and educational purposes.

Before agreeing to any book your student is wanting to read, please ponder the following. Is this book at my student's reading level? Is this book too mature for my student?

2009 Summer Reading Program Parental Permission

I understand that Mr. Deardoff will be given an opportunity to regard this book and may or may not allow it to be read.

I grant

_____ permission to read _____.
