### Photo/Media Permission Form

As Calvary continues to grow and serve families in our community, it is a blessing to showcase the talents, experiences, and insights your cherished student contributes to our school family. As your student demonstrates the gifts granted them by God, we want to capture those examples and use them to educate our community on the ministry happening here. It is our sincere intention to use your student's information, quotes, pictures, or videos (hereby referenced as "works") in a manner that is respectful of you and your student.

By reading this communication from Calvary Lutheran High School, and by signing and returning this form, I understand that I am granting permission to use my son's and/or daughter's words, works, and images while they are a student at Calvary and beyond.
