FINANCIAL PLANNING FOR CHRISTIAN EDUCATION – As you make plans for Christian education for next school year, why not have a 529 fund in place? Missouri allows private K-12 tuition to be paid from a 529 fund. This is a great opportunity for families (or friends of a family) to contribute specifically to a student's education through state-tax deductible contributions. Qualified withdrawals for tuition expenses can happen now or well into the future. Call John Christman (638-0228) or your financial advisor today to learn more.
