RESCUE STORY - A devotion from Mr. Christman

Perhaps you have watched more movies in the time you have spent from home. A good rescue story is a common plot in tv crime dramas and many movies. A victim is taken hostage by circumstances (Tom Hanks on a remote island) or by a perpetrator (in any movie with Bruce Willis or Liam Neeson). The bulk of the episode or movie is spent pursuing a successful rescue and more often than not, the story resolves happily. Everyone likes a good rescue story.

As we celebrated Easter in a way unlike any before, I was struck this time by the story of Lazarus from John 11. He died while Jesus was ministering in another town. When Christ returned to join His friends in mourning, both Martha, then Mary said to Him, "Lord, if you had been here, my brother would not have died." They knew Jesus had the power to heal and could have restored Lazarus' health. Though they did not know it, healing was not immediately part of God's plan. God can use all things (Romans 8:28) including physical pain and even death to reveal His plot twist – our spiritual health, our ultimate resurrection and an eternal abiding with our Savior is His priority. This is the chapter of the bible that we hear Christ's words, "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and everyone who lives and believes in me shall never die."

I think most memorable movies and tv shows have characters with which we can identify. Read John 11. Who are you in that story? Whose perspective matches your own most closely right now? Martha or Mary? The disciples or the Pharisees? Or Lazarus? This Easter, I find myself identifying with Lazarus most. I am dead in my sins. I have no control over so many things of this life, one I sometimes dare to call my own. And yet, I have hope because I have a rescuer. In His resurrection, Christ called me out from the tomb. He is our rescue story. May God grant you the joy, the comfort, the peace and the faith to rest in this Truth. His story is our story.

DISTANCE LEARNING CONTINUED - As we wrapped up "Week 3" of distance learning, a second Google Survey was sent to all students and families to get continued feedback. If you have not had a chance to complete the survey, please click the link below. **THANK YOU** for your support. Please know the faculty is working very hard to keep education happening. We know everyone (students, parents and faculty) are learning every step of the way. If you have questions or concerns, please reach out to Mr. Ahlers at 573-638-0228 or principal@calvarylhs.org. We appreciate knowing how your family is doing.

LOOSE ENDS - As we approach the "end of school," we still have a few loose ends to tie up. If you received an email from Mrs. Ahlers about yearbooks or winter sports uniforms, we are needing more information from you. Regarding yearbook, if you received the email, we do not have a yearbook ordered for you at this time. Please reply to ahlersm@calvarylhs.org with a "YES" or a "NO" if you do or do not want a 2019-2020 yearbook. Regarding winter uniforms, if you received an email, we are missing all or part of your winter uniform. Please return these pieces to the office no later than May 1. Someone is typically in the school office Monday - Friday from 7:00 a.m. - 3:00 p.m.

CRIMSON & SILVER DINNER AUCTION UPDATE - As you may have wondered, we had tough decisions to make in regard to hosting the 15th Annual Crimson & Silver Dinner Auction event on April 25th. We realize the significance, financial need, timing, and importance this event plays to continue the ministry at Calvary and want it to be as successful as possible. After much discussion and research, we have decided to **reschedule the event to Saturday, September 26, 2020**. Please add this event to your fall calendar as we know it will be a wonderful night to celebrate Calvary and exciting to gather as a Calvary family again.

Thank you for your continued support of Calvary and this event. - Dinner Auction Committee
